

Lawrence Lake WI - Marquette County by Westfield Wisconsin

[Lawrence Lake](#) also known as Lawrence Pond is located in Westfield Township of Marquette County, Central Wisconsin. The lake is fed by Lawrence Creek trout stream on the Northwest side which helps fill it then is formed by a dam on the eastside which turns into Westfield Creek that flows into the village of Westfield that also creates Westfield Pond. Lawrence Lake is known typically as a fishing lake that is mostly surrounded by privately owned vacant land parcels and residential homes. There is a large piece of public land on the northwest side of the lake around Lawrence Creek stream known as Lawrence Creek State Natural Area & Lawrence Creek Wildlife Areas which is open to Hunting, Hiking, Fishing, Wildlife Viewing, Cross Country Skiing and more...
