

Westfield

[Westfield, WI 53964](#) is located in the **Township of Westfield** in **Marquette County** on County Road M & E on I-39 /51 between Coloma and Montello. It's considered as a village because it mostly consists of full time residents who work in the area. Its features in the area are the Marquette County Fairgrounds, Schools, Post Office, Interstate Access, Corporate Farm fields, Banks, Shopping, Churches, [Bars](#), Restaurants, Gas Stations, Snowmobiling, Flea Market, Miniature Golf WITH Trout Fish feeding, Prairie Nursery, Parks, local [Wisconsin Wildlife](#) and more! Because of the interstate, the town has become a hotspot for travelers who want to get some fuel, something to eat or just to stretch their legs out during a longer trip through Wisconsin.

Westfield is home to the local school district where the high school football team assembles, practices and wins games. For 1 week a year during the summer months Westfield is home to the Marquette County Fair at the fairgrounds located at the southwest part of the village. There are plenty of outdoor activities in the area including hunting, [fishing](#), hiking, biking, boating, canoeing, kayaking, cross country skiing, outdoor photography and just enjoying nature in the outdoors. Just over the county line about 10 miles North is Coloma, which is a relatively small town with a couple gas stations and small businesses. It features the Coloma Park that has a playground and hosts regular events including the annual Chicken Chew! Around the town are several recreational lakes including Wood, Pleasant and Mekan Lake which is the head waters for the Mekan River, a well-known Trout Stream.

To the Northeast is an Amish Community that offers a Fresh Bakery, fresh picked Organic Vegetables, Greenhouses, stores and more! Surrounding most of Mekan Lake is a large parcel of [public land](#) which is closed part of the year for Waterfowl protection. The area consists of rolling terrain with small hills and valleys, and wooded land including oaks and pines with farms and farmland mixed in.
