## Goose Hunting Wisconsin

**Canadian Geese** also have very strong muscles. These muscles help them be able to fly for long distances; up to 16 hours. One major disadvantage for the **Canadian Goose** is that humans constantly tossing pieces of bread and other snacks to them. If the goose gets too used to getting hand-outs, it might come to depend on those hand-outs and not know any other way of getting food. They are an amazing creature. As long as one of their predators doesn't get them, the *Canadian Goose* has a very long life span. They are lucky for this. Enjoy their presence, but give them their distance. Come see Canadian Geese in *Wisconsin* by our lakes, rivers and fields.
